---

Prospective Naperville Rugby Players and Families,

This coming season will mark the 17<sup>th</sup> year of the Naperville Warriors High School Rugby Club. We are currently recruiting student athletes from Naperville North, Naperville Central, and Benet Academy to join our annual pursuit of the Illinois Rugby state title! Our club is regularly ranked among the elite teams in Illinois, and is led by a top tier coaching staff with diverse international experience. Each season several senior athletes graduate on to play for collegiate programs and compete on the national level.

The Warriors offer a position for athletes of all sizes and skill levels. Our club is a certified member of Rugby Illinois and USA Rugby, and we prioritize safety by teaching proper fundamental technique. Sportsmanship and teamwork are engrained in rugby culture, and our coaching staff works hard to provide a fun and competitive atmosphere.

In addition to our varsity squad, the Warriors typically field an underclassmen team to compete in the Rugby Illinois U17 division. For those families with even younger aspiring ruggers, the Warriors feeder club is the Naperville Crusaders which operates through the Naperville Park District.

Winter training sessions begin January 22<sup>nd</sup> at the Naperville yard, and are a primer for our regular season beginning in March. Please feel free to reach out to our coaching staff for more information by visiting our website at [napervillewarriorsrugby.com](http://napervillewarriorsrugby.com). We look forward to seeing you on the pitch!

Sincerely,

Christopher M. Dublinski  
Naperville Warriors RFC
